

Wanted: Board Member to Fill Seat

Have you ever wondered what a library board member does? The Lapeer District Library board is a seven-person governing board, with responsibility for maintaining a public library for Lapeer District Library, establishing library policies, employing the Library Director, adopting an annual budget, and approving the expenditure of funds. The regular board meeting occurs the third Thursday of each month at 2 pm; however, with the planning of the new building, a special monthly meeting has also been set. Due to the resignation of a valuable board member, the board seat that is appointed by the City of Lapeer needs to be filled. This individual must reside within the city in order to be eligible for appointment. Please call the library director, Melissa Malcolm, at 810-664-9521 for information about this rewarding volunteer opportunity.
