

LAPEER DISTRICT LIBRARY NEWSLETTER

November/December 2025

GENEALOGY INTEREST GROUP

First Wednesday of the month @ 6PM deAngeli

We're excited to announce that the deAngeli Library is now an Affiliate Library through [FamilySearch.org](https://www.familysearch.org)! This special partnership gives patrons access to exclusive onsite genealogical records available only through affiliate locations. While connected to the library's Wi-Fi, you can explore millions of historical documents and discover details about your ancestors—all completely free.

[FamilySearch.org](https://www.familysearch.org) offers an incredible range of resources to help you trace your family history, build an online family tree, and connect with relatives around the world. Whether you're just beginning your research or have been exploring genealogy for years, there's always something new to uncover.

To celebrate this new offering, we're expanding our genealogy services and partnering with the Lapeer Genealogical Society. **We invite you to join our Genealogy Interest Group, meeting on the first Wednesday of every month at 6 PM at the deAngeli Branch.**

All experience levels are welcome as we share research tips, explore local history, and discover our roots together!
