Lapeer District Library

Genealogy Databases

How to get started with Ancestry Library Edition, FamilySearch.org, and MyHeritage Library Edition Genealogy Databases

Lapeer District Library

Where your story begins.

March 2026

ancestry
library edition

Search Ancestry Library Edition for vital records (births, deaths, marriages, census records, etc.) to bring the story of your family history to life.

In addition to collections from the U.S., Canada, and the U.K., this database also features major collections from France, Germany, Sweden, Italy, Australia, and China.

FamilySearch

What you can do at FamilySearch.org:
- Search for vital records (births, deaths, marriages, census records, etc.)
- Create an online family tree
- Upload photos, family stories, and collaborate with family members

Anyone with internet access can use FamilySearch.org, but some records require access from an **affiliate library**.

MyHeritage

MyHeritage Library Edition contains billions of historical documents from more than 48 countries, millions of historical photos, public records, indexes and additional resources.

This database is provided courtesy of the Library of Michigan, Michigan eLibrary.
